AQUA UNAGED EAU DE VIE DE VIN UNAGED

A cocktail renaissance

AQUA reinvents the Old Fashioned, harking back to the 1920s and early American brandy cocktails.

AQUA is a white wine brandy designed for cocktails.

A blend of young wine spirits from different continents and origins with a unique aromatic signature of white flowers and musk grapes.

Grape varieties: Ugni Blanc, Moscatel, Predo Ximenez

AQUA is the sublime result created by a master blender of quality spirits using know-how that has been handed down over four generations in the Lucien Bernard family distillery.

Aromatic signature: White flower and musk grape notes.

AQUA ALTA EAU DE VIE DE VIN VIEILLIE

Cocktails & tastings

A more intense version of Aqua Unaged is aged for 50 months in barrels from the Bordeaux Grand Cru Classé de Graves Château, Domaine de Chevalier, to produce Aqua Alta. These barrels previously held a fine white wine, bringing not only tannic notes of oak, but also density, freshness and complexity.

Aromatic signature: Leather, honey and candied orange.
